## Product Datasheet

**Influenza B Nucleoprotein (PE), IgG1, Clone: [8J108], Mouse, Monoclonal  
USB-I7651-01P-PE**

|                          |                                                                                                                                                                                                                                                                 |

| Wirt                     | Mouse                                                                                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                      |
| Applikation              | FLISA, WB                                                                                                                                                                                                                                                       |
| Immunogen                | Purified influenza virus type B                                                                                                                                                                                                                                 |
| Produktbeschreibung      | Influenza virus is a single-stranded RNA virus, segmented, 70nm diameter, and enveloped. Strains are described by geographic origin, strain number, year of isolation and hemagglutination (H) and neuraminidase (N) antigens. It is an acute viral diseases... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                      |
| Klon-Bezeichnung         | [8J108]                                                                                                                                                                                                                                                         |
| Isotyp                   | IgG1                                                                                                                                                                                                                                                            |
| Reinheit                 | Purified by Protein A chromatography. (>90% pure SDS-PAGE).                                                                                                                                                                                                     |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. No stabilizing proteins added. Labeled with R-Phycoerythrin (PE).                                                                                                                                   |
