| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IF                                                                                                                                                                                                                                                            |
| Immunogen                | Influenza B/Lee/40 and B/Singapore/-222/79 viruses.                                                                                                                                                                                                           |
| Produktbeschreibung      | The influenza viruses, classified as type A, B and C, are members of the Orthomyxoviridae family which differ in their epidemiology and host ranges and lack serological cross-reactivity of their internal components, especially their matrix proteins a... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [10D282 B114]                                                                                                                                                                                                                                                 |
| Isotyp                   | IgG2b                                                                                                                                                                                                                                                         |
| Reinheit                 | Purified by Protein A affinity chromatography from tissue culture supernatant.                                                                                                                                                                                |

|              |                                                  |
|--------------|--------------------------------------------------|
| Formulierung | Supplied as a liquid in PBS, 0.09% sodium azide. |
