| Alternativnummer         | USB-N0020-01N-100                                                                                                                                                                                                                                            |
| Hersteller               | US Biological                                                                                                                                                                                                                                                |
| Kategorie                | Molekularbiologie                                                                                                                                                                                                                                            |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                    |
| Produktbeschreibung      | A 17aa Peptide sequence located at the predicted extracellular domain 4 of human NRAMP1. Natural resistance to infection with unrelated intracellular parasite such as Mycobacteria, Salmonella, and Leishmania is controlled by a single gene that encod... |
| Reinheit                 | Highly purified                                                                                                                                                                                                                                              |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2                                                                                                                                                                                                                          |
