| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FLISA, IF, IHC                                                                                                                                                                                                                                                |
| Immunogen                | Crude viral lysate, native.                                                                                                                                                                                                                                   |
| Produktbeschreibung      | MaxLight(TM)490 is a new Blue-Green photostable dye conjugate comparable to DyLight(TM)488, Alexa Fluor(TM)488 and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (491nm), Emission (515nm), Extinction Coe... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [1256 B165]                                                                                                                                                                                                                                                   |
| Isotyp                   | IgG2a                                                                                                                                                                                                                                                         |

|              |                                                                    |
|--------------|--------------------------------------------------------------------|
| Reinheit     | Purified by Protein A affinity chromatography from ascites.        |
| Formulierung | Supplied as a liquid in PBS, pH 7.2. Labeled with MaxLight(TM)490. |
