| Artikelname              | PDK1 (PDHK1, [Pyruvate Dehydrogenase [Lipoamide]] Kinase Isozyme 1, Mitochondrial, Pyruvate Dehydrogenase Kinase Isoform 1), Goat                                                                                                                             |
| Artikelnummer            | USB-P3123-02Y                                                                                                                                                                                                                                                 |
| Hersteller Artikelnummer | P3123-02Y                                                                                                                                                                                                                                                     |
| Alternativnummer         | USB-P3123-02Y-100                                                                                                                                                                                                                                             |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Goat                                                                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Synthetic peptide corresponding to C-DFKDKSAEDAK, from PDK1, at the internal region of the protein (NP_002601.1).                                                                                                                                             |
| Produktbeschreibung      | Pyruvate dehydrogenase (PDH) is a mitochondrial multienzyme complex that catalyzes the oxidative decarboxylation of pyruvate and is one of the major enzymes responsible for the regulation of homeostasis of carbohydrate fuels in mammals. The enzymatic... |
| NCBI                     | <a href="#">002601</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in Tris saline, 0.02% sodium azide, pH 7.3, 0.5% BSA.                                                                                                                                                                                    |
