## Product Datasheet

### **PRDX1, ID (Peroxiredoxin-1, Thioredoxin Peroxidase 2, Thioredoxin-dependent Peroxide Reductase 2, Proliferation-associated Gene Protein, PAG, Natural Killer Cell-enhancing Factor A, NKEF-A, TDPX2, PAGB, PAGA), Rabbit USB-P3351-95A**

|                          |                                                                                                                                                                                                                                                               |

| Artikelnummer            | USB-P3351-95A                                                                                                                                                                                                                                                 |
| Hersteller Artikelnummer | P3351-95A                                                                                                                                                                                                                                                     |
| Alternativnummer         | USB-P3351-95A-200                                                                                                                                                                                                                                             |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Synthetic peptide selected from the Center region of human PRDX1 (KLH).                                                                                                                                                                                       |
| Produktbeschreibung      | PRDX1 is a member of the peroxiredoxin family of antioxidant enzymes, which reduce hydrogen peroxide and alkyl hydroperoxides. This protein may play an antioxidant protective role in cells, and may contribute to the antiviral activity of CD8(+) T-cel... |
