| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Immunogen                | KIT (AAH71593.1, 1-976aa) full-length human protein.                                                                                                                                                                                                          |
| Produktbeschreibung      | KIT encodes the human homolog of the proto-oncogene c-kit. C-kit was first identified as the cellular homolog of the feline sarcoma viral oncogene v-kit. KIT is a type 3 transmembrane receptor for MGF (mast cell growth factor, also known as stem cell... |
| NCBI                     | <a href="#">71593</a>                                                                                                                                                                                                                                         |
| Reinheit                 | Purified.                                                                                                                                                                                                                                                     |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Biotin.                                                                                                                                                                              |
