| Alternativnummer         | USB-491470-100                                                                                                                                                                                                                                                |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Immunogen                | Synthetic peptide corresponding to the N-terminal region of human SERPINB7                                                                                                                                                                                    |
| Produktbeschreibung      | SERPINB7 might function as an inhibitor of Lys-specific proteases. SERPINB7 might influence the maturation of megakaryocytes via its action as a serpin. Applications: Suitable for use in Western Blot. Other applications not tested. Recommended Diluti... |
