| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IHC                                                                                                                                                                                                                                                    |
| Immunogen                | Fusion protein of human FTH1                                                                                                                                                                                                                                  |
| Produktbeschreibung      | This gene encodes the heavy subunit of ferritin, the major intracellular iron storage protein in prokaryotes and eukaryotes. It is composed of 24 subunits of the heavy and light ferritin chains. Variation in ferritin subunit composition may affect th... |
| UniProt                  | <a href="#">P02794</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |

|              |                                                                        |
|--------------|------------------------------------------------------------------------|
| Formulierung | Supplied as a liquid in PBS, pH 7.4, 0.05% sodium azide, 40% glycerol. |
