| Hersteller Artikelnummer | 5HR-H55D3-100ug                                                                                                                                                                                                                                               |
| Alternativnummer         | ABS-5HR-H55D3-100UG                                                                                                                                                                                                                                           |
| Hersteller               | AcroBiosystems                                                                                                                                                                                                                                                |
| Wirt                     | Insect                                                                                                                                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | This gene encodes one of the receptors for serotonin, a neurotransmitter with many roles. Mutations in this gene are associated with susceptibility to schizophrenia and obsessivecompulsive disorder, and are also associated with response to the antide... |
| Molekulargewicht         | 55.3 kDa                                                                                                                                                                                                                                                      |
| Tag                      | N-Flag & C-10*His                                                                                                                                                                                                                                             |
| NCBI                     | <a href="#">28223</a>                                                                                                                                                                                                                                         |
| Puffer                   | 50 mM HEPES, 150 mM NaCl, Buffer B, pH7.5                                                                                                                                                                                                                     |

|                   |                                     |
|-------------------|-------------------------------------|
| Expression System | Asp 2 - Ala 265 & Gln 313 - Lys 403 |
| Reinheit          | 90%                                 |
| Formulierung      | Liquid                              |
| Target-Kategorie  | 5-HT2AR                             |
