| Hersteller Artikelnummer | SL1-H55H3-500ug                                                                                                                                                                                                                                               |
| Alternativnummer         | ABS-SL1-H55H3-500UG                                                                                                                                                                                                                                           |
| Hersteller               | AcroBiosystems                                                                                                                                                                                                                                                |
| Wirt                     | Insect                                                                                                                                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | This gene encodes a major glucose transporter in the mammalian bloodbrain barrier. The encoded protein is found primarily in the cell membrane and on the cell surface, where it can also function as a receptor for human Tcell leukemia virus (HTLV) I a... |
| Molekulargewicht         | 56.0 kDa                                                                                                                                                                                                                                                      |
| Tag                      | C-10*His                                                                                                                                                                                                                                                      |
| NCBI                     | <a href="#">11166</a>                                                                                                                                                                                                                                         |
| Puffer                   | 50 mM HEPES, 150 mM NaCl, DDM, pH7.5, CHS                                                                                                                                                                                                                     |
| Expression System        | Glu 2 - Val 492                                                                                                                                                                                                                                               |
