| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Signalregulatory protein gamma (SIRPG or SIRPgamma) is also known as CD172 antigenlike family member B (CD172g), Signalregulatory protein beta2 (SIRPB2), is a singlepass type I membrane protein. SIRPG is expressed on CD4+ Tcells, CD8+ Tcells, CD56bri... |
| Molekulargewicht         | 63.7 kDa                                                                                                                                                                                                                                                      |
| Tag                      | C-Fc                                                                                                                                                                                                                                                          |
| NCBI                     | <a href="#">64532</a>                                                                                                                                                                                                                                         |
| Puffer                   | 50 mM Tris, 100 mM Glycine, pH7.5                                                                                                                                                                                                                             |
| Expression System        | Glu 29 - Ser 364                                                                                                                                                                                                                                              |
