| Alternativnummer         | LS-C536950-100                                                                                                                                                                           |
| Hersteller               | LifeSpan Biosciences                                                                                                                                                                     |
| Wirt                     | Mouse                                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                               |
| Applikation              | ELISA, IF                                                                                                                                                                                |
| Spezies Reaktivität      | Virus                                                                                                                                                                                    |
| Immunogen                | Infected cell lysate.                                                                                                                                                                    |
| Konjugation              | FITC                                                                                                                                                                                     |
| Produktbeschreibung      | Influenza A Virus Nucleoprotein antibody LS-C536950 is an FITC-conjugated mouse monoclonal antibody to influenza a virus Influenza A Virus Nucleoprotein. Validated for ELISA and IF.... |
| Klonalität               | Monoclonal                                                                                                                                                                               |
| Isotyp                   | IgG1                                                                                                                                                                                     |
| NCBI                     | <a href="#">3655111</a>                                                                                                                                                                  |

|                        |                                                                    |
|------------------------|--------------------------------------------------------------------|
| Puffer                 | PBS, pH 7.2, No preservatives added, No stabilizing proteins added |
| Reinheit               | Protein A purified                                                 |
| Formulierung           | PBS, pH 7.2, No preservatives added, No stabilizing proteins added |
| Application Verdünnung | ELISA, IF                                                          |
| Anwendungsbeschreibung | ELISA, IF                                                          |
