### PLP2 Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB1145742

|                          |                                                                                                                |
|--------------------------|----------------------------------------------------------------------------------------------------------------|
| Artikelname              | PLP2 Antibody, Unconjugated, Rabbit, Polyclonal                                                                |
| Artikelnummer            | BYT-ORB1145742                                                                                                 |
| Hersteller Artikelnummer | orb1145742                                                                                                     |
| Alternativnummer         | BYT-ORB1145742-100                                                                                             |
| Hersteller               | Biorbyt                                                                                                        |
| Wirt                     | Rabbit                                                                                                         |
| Kategorie                | Antikörper                                                                                                     |
| Applikation              | ELISA, FC, IHC, WB                                                                                             |
| Spezies Reaktivität      | Human                                                                                                          |
| Immunogen                | E.coli-derived human PLP2 recombinant protein (Position: N18-V152).                                            |
| Konjugation              | Unconjugated                                                                                                   |
| Produktbeschreibung      | Anti-PLP2 Antibody. Tested in ELISA, Flow Cytometry, IHC, WB applications. This antibody reacts with Human.... |
| Klonalität               | Polyclonal                                                                                                     |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                      |
| Molekulargewicht         | 17 kDa                                                                                                         |
| UniProt                  | <a href="#">Q04941</a>                                                                                         |
| Formulierung             | Lyophilized                                                                                                    |

|                        |                                                                                                                                                                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | AP-2 complex subunit mu                                                                                                                                                                                                                                                                        |
| Anwendungsbeschreibung | <p>Application Notes: Western blot, 0.25-0.5 µg/ml, Human Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human Flow Cytometry (Fixed), 1-3 µg/1x10<sup>6</sup> cells, Human ELISA, 0.1-0.5 µg/ml, -. Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml</p> |
