| Hersteller               | Biorbyt                                                                                                                                                                                          |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                                                                            |
| Produktbeschreibung      | Recombinant Human KCNK9 with C-terminal human Fc tag...                                                                                                                                          |
| Molekulargewicht         | The protein has a predicted molecular mass of 32.2 kDa after removal of the signal peptide. The apparent molecular mass of KCNK9-hFc is approximately 35-55 kDa due to glycosylation.            |
| UniProt                  | <a href="#">Q9NPC2</a>                                                                                                                                                                           |
| Puffer                   | Lyophilized from sterile PBS, pH 7.4. Normally 5 % - 8% trehalose is added as protectants before lyophilization. Please see Certificate of Analysis for specific instructions.                   |
| Reinheit                 | The purity of the protein is greater than 95% as determined by SDS-PAGE and Coomassie blue staining.                                                                                             |
| Formulierung             | Lyophilized from sterile PBS, pH 7.4. Normally 5 % - 8% trehalose is added as protectants before lyophilization. Please see Certificate of Analysis for specific instructions of reconstitution. |
| Target-Kategorie         | KCNK9                                                                                                                                                                                            |
