## Product Datasheet

### **SARS-CoV-2 (COVID-19) Delta plus Variant (B.1.617.2.1) Spike RBD (K417N, T478K, L452R) Recombinant Protein BYT-ORB1231028**

|                          |                                                                                                                        |
|--------------------------|------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | SARS-CoV-2 (COVID-19) Delta plus Variant (B.1.617.2.1) Spike RBD (K417N, T478K, L452R) Recombinant Protein             |
| Artikelnummer            | BYT-ORB1231028                                                                                                         |
| Hersteller Artikelnummer | orb1231028                                                                                                             |
| Alternativnummer         | BYT-ORB1231028-0.1                                                                                                     |
| Hersteller               | Biorbyt                                                                                                                |
| Kategorie                | Proteine/Peptide                                                                                                       |
| Produktbeschreibung      | SARS-CoV-2 (COVID-19) Delta plus Variant (B.1.617.2.1) Spike RBD (K417N, T478K, L452R) Recombinant Protein...          |
| Molekulargewicht         | 35kDa                                                                                                                  |
| NCBI                     | <a href="#">484</a>                                                                                                    |
| Puffer                   | Supplied as lyophilized from PBS, pH 7.5. Please reconstitute the protein with ddH2O to the concentration with 1mg/ml. |
| Reinheit                 | >90% as determined by SDS-PAGE                                                                                         |
| Formulierung             | Lyophilized                                                                                                            |
| Sequenz                  | The exact sequence is proprietary                                                                                      |
| Anwendungsbeschreibung   | Application Notes: Immunogen                                                                                           |
