### TREM2 Recombinant Protein BYT-ORB1231481

|                          |                                 |
|--------------------------|---------------------------------|
| Artikelname              | TREM2 Recombinant Protein       |
| Artikelnummer            | BYT-ORB1231481                  |
| Hersteller Artikelnummer | orb1231481                      |
| Alternativnummer         | BYT-ORB1231481-0.1              |
| Hersteller               | Biorbyt                         |
| Kategorie                | Proteine/Peptide                |
| Applikation              | ELISA, WB                       |
| Produktbeschreibung      | TREM2 Recombinant Protein...    |
| Molekulargewicht         | 19.3 kDa                        |
| NCBI                     | <a href="#">061838</a>          |
| UniProt                  | <a href="#">Q9NZC2</a>          |
| Puffer                   | PBS, pH 7.4                     |
| Reinheit                 | >90% as determined by SDS-PAGE. |
| Formulierung             | Lyophilized                     |
| Sequenz                  | His 19 - Ser 174                |
| Target-Kategorie         | TREM2                           |

|                        |                                                                                                                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Application Notes: This protein carries a polyhistidine tag at the C-terminus. The protein has a calculated MW of 19.3 kDa. The protein migrates as 26-40 kDa under non-reducing (NR) condition (SDS-PAGE) due to glycosylation |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
