| Wirt                     | Rabbit                                                                                                                                                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                                                            |
| Applikation              | ELISA, IHC                                                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Virus                                                                                                                                                                                                                                                                                                 |
| Immunogen                | Anti-SARS-CoV-2 (COVID-19) Nucleocapsid Antibody (biotin) (orb1239067) was raised against a peptide corresponding to 17 amino acids near the center of SARS-CoV-2 (COVID-19) Nucleocapsid protein. The immunogen is located within 230-280 amino acids of SARS-CoV-2 (COVID-19) Nucleocapsid protein. |
| Konjugation              | Biotin                                                                                                                                                                                                                                                                                                |
| Produktbeschreibung      | SARS-CoV-2 (COVID-19) Nucleocapsid Antibody (biotin)...                                                                                                                                                                                                                                               |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                                                            |
| Konzentration            | 1 mg/mL                                                                                                                                                                                                                                                                                               |

|                  |                                                                                                        |
