| Kategorie                | Antikörper                                                                                                                                                                                                       |
| Applikation              | ELISA, IF, WB                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                |
| Immunogen                | Anti-TMPRSS2 antibody (orb1240217) was raised against a peptide corresponding to 12 amino acids near the carboxyl terminus of human TMPRSS2. The immunogen is located within the last 50 amino acids of TMPRSS2. |
| Konjugation              | Unconjugated                                                                                                                                                                                                     |
| Produktbeschreibung      | TMPRSS2 (CT) Antibody...                                                                                                                                                                                         |
