| Hersteller               | Biorbyt                                                                                                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                                                                                                         |
| Immunogen                | Anti-SARS-CoV-2 RBD Potent Neutralizing Antibody, Chimeric mAb, Human IgG1 (AM128) is a chimeric monoclonal antibody combining the constant domains of the human IgG1 molecule with mouse variable regions. Pseudovirus assay shows that this antibody has potent neutralizing activity against pseudovirus bearing SARS-CoV-2 Spike protein. |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | SARS-CoV-2 RBD Potent Neutralizing Antibody, monoclonal, Chimeric...                                                                                                                                                                                                                                                                          |
| Klonalität               | Recombinant                                                                                                                                                                                                                                                                                                                                   |
| Konzentration            | batch dependent                                                                                                                                                                                                                                                                                                                               |

|                  |                                                                                                                              |
