## Product Datasheet

### TP53I13 Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB1402138

|                          |                                                                                                                   |
|--------------------------|-------------------------------------------------------------------------------------------------------------------|
| Artikelname              | TP53I13 Antibody, Unconjugated, Rabbit, Polyclonal                                                                |
| Artikelnummer            | BYT-ORB1402138                                                                                                    |
| Hersteller Artikelnummer | orb1402138                                                                                                        |
| Alternativnummer         | BYT-ORB1402138-100                                                                                                |
| Hersteller               | Biorbyt                                                                                                           |
| Wirt                     | Rabbit                                                                                                            |
| Kategorie                | Antikörper                                                                                                        |
| Applikation              | ELISA, IF, IHC, WB                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                 |
| Immunogen                | E.coli-derived human TP53I13 recombinant protein (Position: A30-Q365).                                            |
| Konjugation              | Unconjugated                                                                                                      |
| Produktbeschreibung      | Anti-TP53I13 Antibody. Tested in ELISA, IF, IHC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                        |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                         |
| Molekulargewicht         | 55 kDa                                                                                                            |
| UniProt                  | <a href="#">Q8NBR0</a>                                                                                            |

|                        |                                                                                                                                                                                                                                                                                  |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                      |
| Target-Kategorie       | Transmembrane protein 240                                                                                                                                                                                                                                                        |
| Anwendungsbeschreibung | <p>Application Notes: Western blot, 0.25-0.5 µg/ml, Human, Mouse, Rat Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human Immunofluorescence, 5 µg/ml, Human ELISA, 0.1-0.5 µg/ml, -. Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml</p> |
