| Artikelname              | C14orf135 Antibody Blocking peptide                                                                                                                                                                       |
| Artikelnummer            | BYT-ORB1456941                                                                                                                                                                                            |
| Hersteller Artikelnummer | orb1456941                                                                                                                                                                                                |
| Alternativnummer         | BYT-ORB1456941-500                                                                                                                                                                                        |
| Hersteller               | Biorbyt                                                                                                                                                                                                   |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                          |
| Produktbeschreibung      | C14orf135 Antibody Blocking peptide...                                                                                                                                                                    |
| UniProt                  | <a href="#">Q63HM2</a>                                                                                                                                                                                    |
| Formulierung             | Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.                                                                      |
| Sequenz                  | The synthetic peptide sequence was selected from the Center region of C14orf135. A 10 to 100 fold molar excess to antibody is recommended. Precise conditions should be optimized for a particular assay. |
| Anwendungsbeschreibung   | Application Notes: Synthetic peptide                                                                                                                                                                      |
