## Product Datasheet

**Recombinant SARS-Cov-2 (Omicron, B.1.1.529) Spike RBD protein (G339D, S371L, S373P, S375F, S477N, T478K, E484A, Q493R, G496S, Q498R, N501Y, Y505H), C-His (HEK293)  
BYT-ORB1516623**

|                          |                                                                                                                                                                                                                                                               |

| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Produktbeschreibung      | Recombinant SARS-Cov-2 (Omicron, B.1.1.529) Spike RBD protein (G339D, S371L, S373P, S375F, S477N, T478K, E484A, Q493R, G496S, Q498R, N501Y, Y505H), C-His (HEK293), with a concentration of >0.5 mg/ml, expressed in HEK293 cell, with a molecular weight ... |
| Konzentration            | >0.5 mg/ml                                                                                                                                                                                                                                                    |
| Molekulargewicht         | 36 kDa                                                                                                                                                                                                                                                        |
| Reinheit                 | >90% as determined by SDS-PAGE                                                                                                                                                                                                                                |
| Sequenz                  | 319-537/1273                                                                                                                                                                                                                                                  |
| Target-Kategorie         | Spike glycoprotein                                                                                                                                                                                                                                            |
| Anwendungsbeschreibung   | Application Notes: Centrifuge tubes before opening. Reconstituting to a concentration more than 100 µg/ml is recommended. Dissolve the lyophilized protein in distilled water                                                                                 |
