| Produktbeschreibung      | Recombinant E.coli ATP-dependent DNA helicase recQ...                                                                                                                                                                                                                           |
| Molekulargewicht         | 71.9 kDa                                                                                                                                                                                                                                                                        |
| UniProt                  | <a href="#">P15043</a>                                                                                                                                                                                                                                                          |
| Puffer                   | If the delivery form is liquid, the default storage buffer is Tris/PBS-based buffer, 5%-50% glycerol. If the delivery form is lyophilized powder, the buffer before lyophilization is Tris/PBS-based buffer, 6% Trehalose, pH 8.0.                                              |
| Quelle                   | Escherichia coli (strain K12)                                                                                                                                                                                                                                                   |
| Reinheit                 | Greater than 90% as determined by SDS-PAGE.                                                                                                                                                                                                                                     |
| Formulierung             | Liquid or Lyophilized powder                                                                                                                                                                                                                                                    |
