| Artikelname              | RNF123 Antibody, Unconjugated, Rabbit, Polyclonal                                                            |
| Artikelnummer            | BYT-ORB546392                                                                                                |
| Hersteller Artikelnummer | orb546392                                                                                                    |
| Alternativnummer         | BYT-ORB546392-100                                                                                            |
| Hersteller               | Biorbyt                                                                                                      |
| Wirt                     | Rabbit                                                                                                       |
| Kategorie                | Antikörper                                                                                                   |
| Applikation              | ELISA, IHC, WB                                                                                               |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                            |
| Immunogen                | E.coli-derived human RNF123 recombinant protein (Position: R12-Y188).                                        |
| Konjugation              | Unconjugated                                                                                                 |
| Produktbeschreibung      | Anti-RNF123 Antibody. Tested in ELISA, IHC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                    |
| Molekulargewicht         | 149 kDa                                                                                                      |
| UniProt                  | <a href="#">Q5XPI4</a>                                                                                       |

|                        |                                                                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                                                                                                                                         |
| Anwendungsbeschreibung | Application Notes: Western blot, 0.1-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml ELISA, 0.1-0.5µg/ml. Add 0.2ml of distilled water will yield a concentration of 500ug/ml |
