## Product Datasheet

### **Fox2/RBM9/RBFOX2 Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB570350**

|                          |                                                                               |
|--------------------------|-------------------------------------------------------------------------------|
| Artikelname              | Fox2/RBM9/RBFOX2 Antibody, Unconjugated, Rabbit, Polyclonal                   |
| Artikelnummer            | BYT-ORB570350                                                                 |
| Hersteller Artikelnummer | orb570350                                                                     |
| Alternativnummer         | BYT-ORB570350-100                                                             |
| Hersteller               | Biorbyt                                                                       |
| Wirt                     | Rabbit                                                                        |
| Kategorie                | Antikörper                                                                    |
| Applikation              | ELISA, ICC, IF, IHC, WB                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                             |
| Immunogen                | E.coli-derived human Fox2/RBM9/RBFOX2 recombinant protein (Position: M1-Q81). |
| Konjugation              | Unconjugated                                                                  |
| Produktbeschreibung      | Fox2/RBM9/RBFOX2 Antibody...                                                  |
| Klonalität               | Polyclonal                                                                    |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.     |
| Molekulargewicht         | 41 kDa                                                                        |
| UniProt                  | <a href="#">O43251</a>                                                        |
| Formulierung             | Lyophilized                                                                   |

|                        |                                                                                                                                                                                                                                                                                                                                                  |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Zinc finger protein Helios                                                                                                                                                                                                                                                                                                                       |
| Anwendungsbeschreibung | <p>Application Notes: Western blot, 0.25-0.5µg/ml, Human, Mouse, Rat Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml, Human, Mouse, Rat Immunocytochemistry/Immunofluorescence, 5 µg/ml, Human Immunofluorescence, 5µg/ml, Mouse, Rat ELISA, 0.1-0.5µg/ml, -. Add 0.2ml of distilled water will yield a concentration of 500ug/ml</p> |
