| Hersteller               | Biorbyt                                                                                                                                |
| Kategorie                | Proteine/Peptide                                                                                                                       |
| Produktbeschreibung      | This Human CSF2 protein spans the amino acid sequence from region 18-144aa. Purity: Greater than 95% as determined by SDS-PAGE....     |
| Molekulargewicht         | 14.6 kDa                                                                                                                               |
| UniProt                  | <a href="#">P04141</a>                                                                                                                 |
| Puffer                   | Lyophilized from a 0.2 µm filtered PBS, pH 7.4, with 0.05 % Tween-20                                                                   |
| Quelle                   | Homo sapiens (Human)                                                                                                                   |
| Reinheit                 | Greater than 95% as determined by SDS-PAGE.                                                                                            |
| Formulierung             | Lyophilized powder                                                                                                                     |
