| Produktbeschreibung      | Recombinant human NR2F6 protein...                                                                                                                                                                                                                                                  |
| Molekulargewicht         | 47 kDa                                                                                                                                                                                                                                                                              |
| UniProt                  | <a href="#">P10588</a>                                                                                                                                                                                                                                                              |
| Puffer                   | If the delivery form is liquid, the default storage buffer is Tris/PBS-based buffer, 5%-50% glycerol. If the delivery form is lyophilized powder, the buffer before lyophilization is Tris/PBS-based buffer, 6% Trehalose, pH 8.0.                                                  |
| Quelle                   | Homo sapiens (Human)                                                                                                                                                                                                                                                                |
| Reinheit                 | Greater than 90% as determined by SDS-PAGE.                                                                                                                                                                                                                                         |
| Formulierung             | Liquid or Lyophilized powder                                                                                                                                                                                                                                                        |
