### MAP3K8 Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB371741

|                          |                                                                                                                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | MAP3K8 Antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                                   |
| Artikelnummer            | BYT-ORB371741                                                                                                                                                                       |
| Hersteller Artikelnummer | orb371741                                                                                                                                                                           |
| Alternativnummer         | BYT-ORB371741-100                                                                                                                                                                   |
| Hersteller               | Biorbyt                                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                                          |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                                                                |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                                          |
| Immunogen                | E.coli-derived human MAP3K8 recombinant protein (Position: D9-L193). Human MAP3K8 shares 89.7% and 90.3% amino acid (aa) sequence identity with mouse and rat MAP3K8, respectively. |
| Konjugation              | Unconjugated                                                                                                                                                                        |
| Produktbeschreibung      | MAP3K8 Antibody...                                                                                                                                                                  |
| Klonalität               | Polyclonal                                                                                                                                                                          |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                           |
| Molekulargewicht         | 53 kDa                                                                                                                                                                              |
| UniProt                  | <a href="#">P41279</a>                                                                                                                                                              |

|                        |                                                                                                                                                                                                                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                                                                                    |
| Target-Kategorie       | Mitogen-activated protein kinase kinase kinase 8                                                                                                                                                                                                                                                                                               |
| Anwendungsbeschreibung | <p>Application Notes: Western blot, 0.1-0.5µg/ml, Human, Mouse, Rat Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml, Human, Mouse, Rat Immunocytochemistry/Immunofluorescence, 5µg/ml, Human Flow Cytometry (Fixed), 1-3µg/1x10<sup>6</sup> cells, Human. Add 0.2ml of distilled water will yield a concentration of 500ug/ml</p> |
