| Kategorie                | Antikörper                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                         |
| Immunogen                | Recombinant fusion protein of human ZO1                                                                                                                                                                                       |
| Konjugation              | Unconjugated                                                                                                                                                                                                                  |
| Produktbeschreibung      | The ZO1 Antibody is suitable for WB. It is a Polyclonal, Unconjugated antibody which raised against Recombinant fusion protein of human ZO1 .Purification: The antibody was purified by immunogen affinity chromatography.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">P39447</a>                                                                                                                                                                                                        |
| Formulierung             | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                                                                                                     |

|                        |                              |
