## Product Datasheet

### **PITPNB Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB1676235**

|                          |                                                                                                                                  |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | PITPNB Antibody, Unconjugated, Rabbit, Polyclonal                                                                                |
| Artikelnummer            | BYT-ORB1676235                                                                                                                   |
| Hersteller Artikelnummer | orb1676235                                                                                                                       |
| Alternativnummer         | BYT-ORB1676235-100                                                                                                               |
| Hersteller               | Biorbyt                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                       |
| Applikation              | ELISA, FC, IF, IHC, WB                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                |
| Immunogen                | E.coli-derived human PITPNB recombinant protein (Position: Q148-R170).                                                           |
| Konjugation              | Unconjugated                                                                                                                     |
| Produktbeschreibung      | Anti-PITPNB Antibody. Tested in ELISA, Flow Cytometry, IF, IHC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                       |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                        |
| Molekulargewicht         | 35 kDa                                                                                                                           |
| UniProt                  | <a href="#">P48739</a>                                                                                                           |

|                        |                                                                                                                                                                                                                                                                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                                                                                                |
| Anwendungsbeschreibung | <p>Application Notes: Western blot, 0.25-0.5 µg/ml, Human, Mouse, Rat Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human, Mouse, Rat Immunofluorescence, 5 µg/ml, Human Flow Cytometry (Fixed), 1-3 µg/1x10<sup>6</sup> cells, Human ELISA, 0.1-0.5 µg/ml, - . Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml</p> |
