## Product Datasheet

### **Rabbit anti-JDP2 Recombinant Monoclonal Antibody, Clone: [BLR246L], Unconjugated BYT-ORB1733245**

|                          |                                                                                  |
|--------------------------|----------------------------------------------------------------------------------|
| Artikelname              | Rabbit anti-JDP2 Recombinant Monoclonal Antibody, Clone: [BLR246L], Unconjugated |
| Artikelnummer            | BYT-ORB1733245                                                                   |
| Hersteller Artikelnummer | orb1733245                                                                       |
| Alternativnummer         | BYT-ORB1733245-100                                                               |
| Hersteller               | Biorbyt                                                                          |
| Wirt                     | Rabbit                                                                           |
| Kategorie                | Antikörper                                                                       |
| Applikation              | FC, ICC, IHC, WB                                                                 |
| Spezies Reaktivität      | Human, Mouse                                                                     |
| Immunogen                | Between 50 and 100                                                               |
| Konjugation              | Unconjugated                                                                     |
| Produktbeschreibung      | JDP2 Antibody...                                                                 |
| Klonalität               | Recombinant                                                                      |
| Konzentration            | 400 µg/ml                                                                        |
| Klon-Bezeichnung         | [BLR246L]                                                                        |
| UniProt                  | <a href="#">Q8WYK2</a>                                                           |

|                        |                                                                                                                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Borate Buffered Saline (BBS) pH 8.2 with 0.1% rAlbumin and 0.09% Sodium Azide                                                                                                                                      |
| Formulierung           | Whole IgG                                                                                                                                                                                                          |
| Target-Kategorie       | JDP2                                                                                                                                                                                                               |
| Application Verdünnung | WB: 1:1000, IHC: 1:40 to 1:100. Epitope retrieval with Tris-EDTA pH 9.0 is recommended for FFPE tissue sections, ICC: 1:40 to 1:100. Epitope retrieval with Tris-EDTA pH 9.0 is recommended for FFPE cell sections |
| Anwendungsbeschreibung | Application Notes: Format: Whole IgG                                                                                                                                                                               |
