## Product Datasheet

### **Rabbit anti-KLF5 Recombinant Monoclonal Antibody, Clone: [BLR243L], Unconjugated BYT-ORB1733252**

|                          |                                                                                  |
|--------------------------|----------------------------------------------------------------------------------|
| Artikelname              | Rabbit anti-KLF5 Recombinant Monoclonal Antibody, Clone: [BLR243L], Unconjugated |
| Artikelnummer            | BYT-ORB1733252                                                                   |
| Hersteller Artikelnummer | orb1733252                                                                       |
| Alternativnummer         | BYT-ORB1733252-10                                                                |
| Hersteller               | Biorbyt                                                                          |
| Wirt                     | Rabbit                                                                           |
| Kategorie                | Antikörper                                                                       |
| Applikation              | FC, ICC, IHC, IP, WB                                                             |
| Spezies Reaktivität      | Human, Mouse                                                                     |
| Immunogen                | Between 325 and 375                                                              |
| Konjugation              | Unconjugated                                                                     |
| Produktbeschreibung      | KLF5 Antibody...                                                                 |
| Klonalität               | Recombinant                                                                      |
| Konzentration            | 1000 µg/ml                                                                       |
| Klon-Bezeichnung         | [BLR243L]                                                                        |
| UniProt                  | <a href="#">Q13887</a>                                                           |

|                        |                                                                                                                                                                                                                                                    |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Borate Buffered Saline (BBS) pH 8.2 with 0.09% Sodium Azide, rAlbumin-Free                                                                                                                                                                         |
| Formulierung           | Whole IgG                                                                                                                                                                                                                                          |
| Target-Kategorie       | KLF5                                                                                                                                                                                                                                               |
| Application Verdünnung | WB: 1:1000, IP: 6 µl/mg lysate, IHC: 1:100 to 1:500. Epitope retrieval with citrate buffer pH 6.0 is recommended for FFPE tissue sections, ICC: 1:100 to 1:500. Epitope retrieval with citrate buffer pH 6.0 is recommended for FFPE cell sections |
| Anwendungsbeschreibung | Application Notes: Format: Whole IgG                                                                                                                                                                                                               |
