| Wirt                     | Rabbit                                                                                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                       |
| Applikation              | IHC, IHC-P, WB                                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                                                                                                                       |
| Immunogen                | Synthetic peptide located between aa684-733 of human ACE2 (Q9BYF1, NP_068576). Percent identity by BLAST analysis: Human, Orangutan, Gibbon, Marmoset (100%), Monkey, Galago, Mouse, Rat, Ferret, Panda, Dog, Cat, Bovine, Bat (92%), Horse, Pig, Opossum (85%). |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                     |
| Produktbeschreibung      | ACE2/ACE-2 Antibody...                                                                                                                                                                                                                                           |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                       |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                        |
| Puffer                   | PBS, 0.09% sodium azide, 2% sucrose. PBS, 0.09% sodium azide, 2% sucrose                                                                                                                                                                                         |

|                        |                                                                                                                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | ACE2 / ACE-2                                                                                                                                                                                                        |
| Application Verdünnung | IHC, IHC-P (5 µg/ml), WB (0.2 - 1 µg/ml)                                                                                                                                                                            |
| Anwendungsbeschreibung | Application Notes: Further information: Western Blot: Suggested dilution at 1 ug/ml in 5% skim milk / PBS buffer, and HRP conjugated anti-Rabbit IgG should be diluted in 1: 50,000 - 100,000 as secondary antibody |
