| Kategorie                | Antikörper                                                                                                                                                                  |
| Applikation              | ELISA                                                                                                                                                                       |
| Konjugation              | Unconjugated                                                                                                                                                                |
| Produktbeschreibung      | SARS-CoV-2 Spike glycoprotein antibody (C649)...                                                                                                                            |
| Klonalität               | Polyclonal                                                                                                                                                                  |
| Klon-Bezeichnung         | [R00244-246]                                                                                                                                                                |
| Molekulargewicht         | 141178 Da                                                                                                                                                                   |
| UniProt                  | <a href="#">P0DTC2</a>                                                                                                                                                      |
| Formulierung             | Purified polyclonal antibody supplied in PBS with 0.05% (V/V) Proclin 300. This antibody is purified through a protein A column, followed by peptide affinity purification. |

|                  |                                                                                                                                                                                                                             |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie | This Anti-SARS-CoV-2 Spike glycoprotein antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 633-678 amino acids from the N-terminal region of human SARS-CoV-2 Spike glycoprotein. |
