| Alternativnummer         | BYT-ORB1945988-20,BYT-ORB1945988-200                                                                                   |
| Hersteller               | Biorbyt                                                                                                                |
| Wirt                     | Rabbit                                                                                                                 |
| Kategorie                | Antikörper                                                                                                             |
| Applikation              | ELISA                                                                                                                  |
| Spezies Reaktivität      | Other                                                                                                                  |
| Immunogen                | SARS-CoV-2 nucleoprotein (NP) specific peptide                                                                         |
| Konjugation              | Unconjugated                                                                                                           |
| Produktbeschreibung      | SARS-CoV-2 NP (84D7) rabbit mAb for immunoassay. Biorbyt creates robustly validated, high quality recombinant mAbs.... |
| Klonalität               | Monoclonal                                                                                                             |
| Konzentration            | 0.5 mg/mL                                                                                                              |
| Klon-Bezeichnung         | [84D7]                                                                                                                 |
| UniProt                  | <a href="#">P0DTC9</a>                                                                                                 |

|                        |                                                                                                                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | 1X PBS, 0.02% NaN <sub>3</sub> , 50% Glycerol, 0.1% rAlbumin                                                                                                                              |
| Formulierung           | Liquid                                                                                                                                                                                    |
| Application Verdünnung | Used for specific, high-sensitivity detection of SARS-CoV-2 nucleocapsid protein (NP) in immunoassay. Can be paired with other NP-specific clones for detection in sandwich ELISA format. |
