### Desmoglein 2/DSG2 Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB614112

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Desmoglein 2/DSG2 Antibody, Unconjugated, Rabbit, Polyclonal                                                                         |
| Artikelnummer            | BYT-ORB614112                                                                                                                        |
| Hersteller Artikelnummer | orb614112                                                                                                                            |
| Alternativnummer         | BYT-ORB614112-100                                                                                                                    |
| Hersteller               | Biorbyt                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                           |
| Applikation              | ELISA, FC, ICC, IF, IHC, WB                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                |
| Immunogen                | E.coli-derived human Desmoglein 2/DSG2 recombinant protein (Position: L24-E1020).                                                    |
| Konjugation              | Unconjugated                                                                                                                         |
| Produktbeschreibung      | Anti-Desmoglein 2/DSG2 Antibody. Tested in ELISA, Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human.... |
| Klonalität               | Polyclonal                                                                                                                           |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                            |
| Molekulargewicht         | 160 kDa                                                                                                                              |
| UniProt                  | <a href="#">Q14126</a>                                                                                                               |

|                        |                                                                                                                                                                                                                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                                                                                    |
| Target-Kategorie       | Tripartite motif-containing protein 6                                                                                                                                                                                                                                                                                                          |
| Anwendungsbeschreibung | <p>Application Notes: Western blot, 0.25-0.5µg/ml, Human Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml, Human Immunocytochemistry/Immunofluorescence, 2µg/ml, Human Flow Cytometry (Fixed), 1-3µg/1x10<sup>6</sup> cells, Human ELISA, 0.1-0.5µg/ml, -. Add 0.2ml of distilled water will yield a concentration of 500ug/ml</p> |
