## Product Datasheet

### **S protein RBD Antibody, Clone: [DM27], Unconjugated, Rabbit, Monoclonal BYT-ORB689347**

|                          |                                                                         |
|--------------------------|-------------------------------------------------------------------------|
| Artikelname              | S protein RBD Antibody, Clone: [DM27], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | BYT-ORB689347                                                           |
| Hersteller Artikelnummer | orb689347                                                               |
| Alternativnummer         | BYT-ORB689347-10,BYT-ORB689347-50,BYT-ORB689347-100,BYT-ORB689347-500   |
| Hersteller               | Biorbyt                                                                 |
| Wirt                     | Rabbit                                                                  |
| Kategorie                | Antikörper                                                              |
| Applikation              | ELISA, FC                                                               |
| Spezies Reaktivität      | Virus                                                                   |
| Konjugation              | Unconjugated                                                            |
| Produktbeschreibung      | Anti-SARS-CoV-2 RBD antibody(DM27), Rabbit mAb...                       |
| Klonalität               | Monoclonal                                                              |
| Klon-Bezeichnung         | [DM27]                                                                  |
| UniProt                  | <a href="#">P0DTC2</a>                                                  |
| Formulierung             | Liquid                                                                  |
| Target-Kategorie         | S protein RBD                                                           |
| Application Verdünnung   | ELISA 1:5000-10000, Flow Cyt 1:100                                      |

|                        |                                                                                                                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Application Notes: Lyophilized from sterile PBS, pH 7.4. Normally 5 % - 8% trehalose is added as protectants before lyophilization. Please see Certificate of Analysis for specific instructions of reconstitution |
