| Hersteller               | Biorbyt                                                                                                                                                                                          |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                 |
| Spezies Reaktivität      | Virus                                                                                                                                                                                            |
| Produktbeschreibung      | Recombinant human L5RA protein with C-terminal 6*His tag...                                                                                                                                      |
| Molekulargewicht         | The protein has a predicted molecular mass of 37.0 kDa after removal of the signal peptide.The apparent molecular mass of IL5RA-His is approximately 50-55 kDa due to glycosylation.             |
| UniProt                  | <a href="#">Q01344</a>                                                                                                                                                                           |
| Puffer                   | Lyophilized from sterile PBS, pH 7.4. Normally 5 % - 8% trehalose is added as protectants before lyophilization. Please see Certificate of Analysis for specific instructions.                   |
| Reinheit                 | The purity of the protein is greater than 90% as determined by SDS-PAGE and Coomassie blue staining.                                                                                             |
| Formulierung             | Lyophilized from sterile PBS, pH 7.4. Normally 5 % - 8% trehalose is added as protectants before lyophilization. Please see Certificate of Analysis for specific instructions of reconstitution. |
| Target-Kategorie         | IL5RA                                                                                                                                                                                            |
