| Artikelname              | Transketolase/TKT Antibody (monoclonal, 2I3), Clone: [2I3], Unconjugated, Mouse, Monoclonal                                                                 |
| Artikelnummer            | BYT-ORB738409                                                                                                                                               |
| Hersteller Artikelnummer | orb738409                                                                                                                                                   |
| Alternativnummer         | BYT-ORB738409-100                                                                                                                                           |
| Hersteller               | Biorbyt                                                                                                                                                     |
| Wirt                     | Mouse                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                  |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                                        |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                           |
| Immunogen                | E.coli-derived human Transketolase/TKT recombinant protein (Position: M1-A116).                                                                             |
| Konjugation              | Unconjugated                                                                                                                                                |
| Produktbeschreibung      | Anti-Transketolase/TKT Antibody (monoclonal, 2I3). Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                  |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                   |

|                        |                                                                                                                                                                                                                                                                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Klon-Bezeichnung       | [213]                                                                                                                                                                                                                                                                                                                                   |
| Molekulargewicht       | 68 kDa                                                                                                                                                                                                                                                                                                                                  |
| UniProt                | <a href="#">P29401</a>                                                                                                                                                                                                                                                                                                                  |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                                                                             |
| Target-Kategorie       | Mitofusin-1                                                                                                                                                                                                                                                                                                                             |
| Anwendungsbeschreibung | Application Notes: Western blot, 0.1-0.25µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 1-2µg/ml,<br>Human Immunocytochemistry/Immunofluorescence, 5µg/ml, Human<br>Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells, Human. Add 0.2ml of<br>distilled water will yield a concentration of 500ug/ml |
