| Target-Kategorie       | GE22313                                                                                                                                                                                                                                                                                                                              |
| Anwendungsbeschreibung | <p>Application Notes: 1. Biorbyt guarantees the antibody purity &gt; 95% confirmed by SDS-PAGE. 2. Biorbyt guarantees the antibody titer &gt; 1: 64,000 confirmed by ELISA. 3. Biorbyt guarantees to offer antigen-specific Western Blot validation data. 4. Biorbyt guarantees 100% risk-free: No qualified antibody, no charge</p> |
