| Puffer                   | Lyophilized powder                                                                                                                                                                                                                                                                         |
| Formulierung             | Lyophilized powder                                                                                                                                                                                                                                                                         |
| Sequenz                  | Synthetic peptide located within the following region:<br>MSGPRAGFYRQELNKTVWEVPQRLQGLRPVGSGAYGSVCSAYDARLRQKV                                                                                                                                                                               |
| Anwendungsbeschreibung   | Application Notes: This is a synthetic peptide designed for use in combination with MAPK11 Rabbit Polyclonal Antibody (orb326105). It may block above mentioned antibody from binding to its target protein in western blot and/or immunohistochemistry under proper experimental settings |
