| Artikelname              | Anti-Poliovirus Receptor/PVR Antibody (monoclonal, 9B9F1), Clone: [9B9F1], Biotin, Mouse, Monoclonal                                  |
| Artikelnummer            | BYT-ORB2595808                                                                                                                        |
| Hersteller Artikelnummer | orb2595808                                                                                                                            |
| Alternativnummer         | BYT-ORB2595808-100                                                                                                                    |
| Hersteller               | Biorbyt                                                                                                                               |
| Wirt                     | Mouse                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                            |
| Applikation              | IHC, WB                                                                                                                               |
| Spezies Reaktivität      | Human, Mouse                                                                                                                          |
| Immunogen                | E.coli-derived human Poliovirus Receptor/PVR recombinant protein (Position: D28-E331).                                                |
| Konjugation              | Biotin                                                                                                                                |
| Produktbeschreibung      | Anti-Poliovirus Receptor/PVR Antibody (monoclonal, 9B9F1). Tested in IHC, WB applications. This antibody reacts with Human, Mouse.... |
| Klonalität               | Monoclonal                                                                                                                            |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                             |
| Klon-Bezeichnung         | [9B9F1]                                                                                                                               |

|                        |                                                                                                                                                                                                           |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Molekulargewicht       | 70-80 kDa                                                                                                                                                                                                 |
| UniProt                | <a href="#">P15151</a>                                                                                                                                                                                    |
| Formulierung           | Lyophilized                                                                                                                                                                                               |
| Anwendungsbeschreibung | Application Notes: Western blot, 0.25-0.5 µg/ml, Human Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human, Mouse. Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml |
