### Anti-Poliovirus Receptor/PVR Antibody, FITC, Rabbit, Polyclonal BYT-ORB2597801

|                          |                                                                                                                            |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Poliovirus Receptor/PVR Antibody, FITC, Rabbit, Polyclonal                                                            |
| Artikelnummer            | BYT-ORB2597801                                                                                                             |
| Hersteller Artikelnummer | orb2597801                                                                                                                 |
| Alternativnummer         | BYT-ORB2597801-100                                                                                                         |
| Hersteller               | Biorbyt                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                 |
| Applikation              | ELISA, ICC, IF, IHC, WB                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                      |
| Immunogen                | E.coli-derived human Poliovirus Receptor/PVR recombinant protein (Position: D28-R417).                                     |
| Konjugation              | FITC                                                                                                                       |
| Produktbeschreibung      | Anti-Poliovirus Receptor/PVR Antibody. Tested in ELISA, IF, IHC, ICC, WB applications. This antibody reacts with Human.... |
| Klonalität               | Polyclonal                                                                                                                 |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                  |
| Molekulargewicht         | 70 kDa                                                                                                                     |
| UniProt                  | <a href="#">P15151</a>                                                                                                     |

|                        |                                                                                                                                                                                                                                                                                          |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                              |
| Anwendungsbeschreibung | <p>Application Notes: Western blot, 0.25-0.5 µg/ml, Human Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human Immunocytochemistry/Immunofluorescence, 5 µg/ml, Human ELISA, 0.1-0.5 µg/ml, -. Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml</p> |
