| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, ICC, IHC, WB                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                | Fusion protein amino acids 20-271 (extracellular N-terminus) of rat NR2B (accession number Q00960) produced recombinantly in E. Coli                                                                                                                          |
| Produktbeschreibung      | Our chicken Anti-GluN2B/NR2B glutamate receptor recombinant monoclonal antibody is a chimeric antibody derived from clone N59/20. It detects human, mouse, and rat GluN2B/NR2B glutamate receptor and is purified by affinity chromatography. It works in ... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                                   |
| Konzentration            | 1 mg/mL                                                                                                                                                                                                                                                       |
| Klon-Bezeichnung         | [N59/20]                                                                                                                                                                                                                                                      |
