| Hersteller               | Aves Labs                                                                                                                                                                                                                                                |
| Wirt                     | Gallus                                                                                                                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                                                                                                                               |
| Applikation              | ELISA, ICC, IHC, WB                                                                                                                                                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                        |
| Immunogen                | Fusion protein amino acids 1-377 (full-length) of human FOS (accession number P01100) produced recombinantly in E. Coli                                                                                                                                  |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                             |
| Produktbeschreibung      | Our Anti-c-FOS chicken recombinant primary antibody from Aves Labs is produced in-house from hybridoma clone N486/32. It detects human, mouse, and rat c-FOS, and is purified by affinity chromatography. It is great for use in WB, IHC, ICC, ELISA.... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                              |
| Konzentration            | 1 mg/mL                                                                                                                                                                                                                                                  |

|                  |                                   |
|------------------|-----------------------------------|
| Klon-Bezeichnung | [N486/32]                         |
| Molekulargewicht | 70 kDa                            |
| UniProt          | <a href="#">P01100</a>            |
| Puffer           | 1X PBS, 0.05% Sodium Azide pH 7.4 |
| Formulierung     | Liquid                            |
| Target-Kategorie | c-FOS                             |
| Antibody Type    | Primary Antibody                  |
