| Alternativnummer         | CRM-ATL1-3333H-20                                                                                                                                                                                     |
| Hersteller               | Creative BioMart                                                                                                                                                                                      |
| Wirt                     | Insect                                                                                                                                                                                                |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                      |
| Molekulargewicht         | The recombinant human SPG3A/GST chimera consists of 671 amino acids and has a calculated molecular mass of 77 kDa. It migrates as an approximately 66 kDa band in SDS-PAGE under reducing conditions. |
| Tag                      | GST                                                                                                                                                                                                   |
| Quelle                   | Human                                                                                                                                                                                                 |
| Reinheit                 | > 80 % as determined by SDS-PAGE                                                                                                                                                                      |
| Anwendungsbeschreibung   | For Research Use Only. Not intended for any clinical use.                                                                                                                                             |
