Product Datasheet

Clostridium tetani **CRM-PRV-462**

Artikelname	Clostridium tetani
Artikelnummer	CRM-PRV-462
Hersteller Artikelnummer	PRV-462
Alternativnummer	CRM-PRV-462-1
Hersteller	Creative BioMart
Kategorie	Sonstiges
Molekulargewicht	22672.9 Da
Reinheit	>99% by SDS-Page and HPLC analysis
Anwendungsbeschreibung	In women having been diagnosed with primary ovarian failure, it is used in combination with human chorionic gonadotropin (hCG) to assist in ovulation and fertility. In men with hypogonadotropic hypogonadism, it is used to induce spermatogenesis. The product may also be used to cause the ovary to produce several follicles, which can then be harvested for use in gamete intrafallopian transfer (GIFT) or in vitro fertilization (IVF).
