### Recombinant Human USH1C protein, His-tagged, E. coli CRM-USH1C-3847H

|                          |                                                                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Recombinant Human USH1C protein, His-tagged, E. coli                                                                                           |
| Artikelnummer            | CRM-USH1C-3847H                                                                                                                                |
| Hersteller Artikelnummer | uSH1C-3847H                                                                                                                                    |
| Alternativnummer         | CRM-USH1C-3847H-50                                                                                                                             |
| Hersteller               | Creative BioMart                                                                                                                               |
| Wirt                     | E. coli                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                               |
| Molekulargewicht         | The recombinant human USH1C consisting of 563 amino acids and migrates as an 63.7 kDa band in SDS-PAGE under reducing conditions as predicted. |
| Tag                      | His                                                                                                                                            |
| Quelle                   | Human                                                                                                                                          |
| Reinheit                 | > 92 % as determined by SDS-PAGE                                                                                                               |
| Anwendungsbeschreibung   | For Research Use Only. Not intended for any clinical use.                                                                                      |
