| Hersteller               | Biotium                                                                                                                                                                                                                                                        |
| Wirt                     | Mouse                                                                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                     |
| Applikation              | IF, WB                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Gallus, Human, Mouse, Primate, Rat                                                                                                                                                                                                                             |
| Immunogen                | Human recombinant PSD95 fusion protein (amino acids 77-299 - PDZ domains 1 and 2)                                                                                                                                                                              |
| Konjugation              | CF488A                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | PSD95 (rK28/43) is a recombinant mouse monoclonal antibody that recognizes PSD95. This CF488A antibody conjugate has been validated in Immunofluorescence. CF dyes are Biotiums line of next-generation fluorescent dyes with advantages in brightness, and... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                                    |
| Konzentration            | 100 ug/mL                                                                                                                                                                                                                                                      |

|                        |                                                                                    |
|------------------------|------------------------------------------------------------------------------------|
| Klon-Bezeichnung       | [rK28/43]                                                                          |
| Molekulargewicht       | 95-110 kDa                                                                         |
| Isotyp                 | IgG2a                                                                              |
| UniProt                | <a href="#">P78352</a>                                                             |
| Puffer                 | 1XPBS, 2 mg/mL rBSA and 0.05% sodium azide                                         |
| Quelle                 | Animal                                                                             |
| Anwendungsbeschreibung | Immunofluorescence: 1-5 ug/mL, Optimal concentration to be determined by end-user. |
